FOR IMMEDIATE RELEASE
TORONTO, ONTARIO

The Board of Directors for the Ontario Association of Parents in Catholic Education are deeply saddened by the recent challenges within the Toronto Catholic District School Board. One must keep this matter in perspective and know that this is no reflection of the great sacrifices and hard work accomplished by the current trustees and those who came before them.

The OAPCE Board of Directors can only hope that through strong leadership from the current Chair of the TCDSB of trustees the matter will be corrected and appropriate action taken. The Catholic ratepayers of TCDSB will have the final judgement in the next municipal election as is the case in our democratic process.

OAPCE Board of Directors will continue to pray through the intercession of our Blessed Mother Mary that her divine guidance will direct the TCDSB Board of Trustees to be true stewards of our publicly funded Catholic Schools as they are called upon in their position as a Catholic School trustee.
